ASX Announcement

ASX Code: MAR

21 February 2014

Sale of Property raises \$295,000

Malachite Resources Limited (ASX: MAR) is pleased to advise that it has sold a land property near to the mining leases associated with the Conrad Silver Project in northern New South Wales for \$295,000.

The property is not a major asset of the Company however the proceeds from the sale will contribute to the Company's working capital requirements while the Lorena Gold Project in northwest Queensland is being developed.

The property would not be required for any potential development of the Conrad Silver Project and is not in any way significant in the context of the Company's current or planned future exploration activities.

The contract for the sale of this property is in the form of the standard Law Society of NSW and Real Estate Institute of NSW contract and is not subject to any unusual special conditions. Settlement of the sale is contemplated on or before 20 March 2014.
