OCCUPATIONAL HEALTH & SAFETY POLICY

The objective of Malachite Resources and its employees and contractors is to eliminate all accidents and work practices which could cause personal injury or health risks.

We will achieve this objective by:

- Providing a safe and healthy working environment for all employees and contractors.
- Providing appropriate personal protective equipment and ensuring that it is properly used.
- Ensuring that systems are in place to respond quickly and effectively to any occupational health or safety emergency.
- Ensuring adequate resources are available to prevent and where necessary respond to personal injury and occupational health emergencies.
- Ensuring that safe work practices are implemented and are properly supervised and enforced.
- Continually monitoring and improving our safety system and safety performance.
